

Call for Contractors!

Rebuilding Together Silicon Valley (RTSV) made critical repairs in over 400 homes in our community in the past year. We primarily assist seniors and people with disabilities, improving the daily lives of our neighbors-in-need and their families. As we grow to meet the needs of our community, we invite local professionals to be a part of our prequalified contractor network.

RTSV is currently seeking contractors that possess CA contractor specialty license designations in Electrical (C10), HVAC (C20), Painting (C33), Plumbing (C36), and Roofing (C39). CA Contractor General B license holders are welcome to apply, too. Small, minority and women owned businesses are encouraged to apply. We pay competitive wages, and our workload is growing!

Interested contractors should download, print and fill out our Contractor Application in its entirety. Find the application on our website: <http://contractors.rtsv.org>. Completed applications can be faxed to 408-578-9359 or emailed to Kevin McCarthy at Kevin@rtsv.org. Questions? Call Kevin at 408-578-9519 x1007.

1701 South 7th Street, #10, San Jose, CA 95112 | 408-578-9519 | www.rtsv.org
