

OSHA 10 Hour Construction Safety and Health Outreach Program February 25 and February 26

This course is ideal for supervisors with safety and health responsibilities, and for employee safety and health awareness. Students will be introduced to OSHA policies, procedures, and standards as well as construction safety and health principles. The course will review the scope and application of the OSHA Act and General Duty Clause, as well as examine areas that are most hazardous. Upon successful completion of the course, participants will receive an OSHA construction safety and health 10-hour course completion card from UCSD. **YOU MUST ATTEND BOTH SESSIONS TO GET THE CERTIFICATION.**

Topics include:

- * OSHA requirements and general safety & health provisions
- * Electrical hazards
- * Ladders and fall protection
- * Personal Protective Equipment (PPE)
- * Scaffolding
- * Tools and Equipment
- * Materials handling, storage and use

Classes start at 8 AM and end at 1 PM. Lunch will be provided

Cost \$215 per person until February 19
\$235 per person after February 19

Instructor: Julio Ruiz Jr.-Safety Management Consultant from an Aura of Safety. (NW)
