It's time to stop thinking of dental and vision as "extras"

For whole-person health, dental and vision benefits are essential. Human care is having plans that treat them as such.

Dental features to keep you and your team smiling

With budget-friendly monthly premiums and low office-visit copays, our PPO dental plans include:

- Three routine and four periodontal cleanings annually at no additional charge
- A nationwide network of more than 521,000 dentist access points
- Five different plan options for different company needs and budgets
- Add choice by offering multiple plans or including a base HMO/Managed Care Plan

Vision benefits to help you see the CBX difference

With a variety of options to fit the needs of your business, our vision plans include:

- \$10-\$25 routine exams
- A yearly allowance for either standard contacts or prescription lenses
- Options for specialty lenses (progressive bifocals, anti-scratch, tinted, etc.)
- Frame allowances every 12-24 months for budget and designer brands

We've got more to offer you and your team
